A B O U T   M E

I am in relentless pursuit of my passions. Since I picked up learning software development, I fell in love. I have always been a problem solver at heart and this field is playground of problems to solve. There is so much to learn and so much room to grow. I'm excited for the opportunity to be challenged and contribute to a team.

A C H I E V M E N T S

US Air Force Veteran
Served as a Firefighter 2014-2017

Served in Afghanistan
I was a privately contracted firefighter at the US Embassy in Kabul Afghanistan for the majority of 2018

Business Owner
After my time in Afghanistan I moved to California and started my own Personal Training business from scratch for high ticket clients looking for world class training. My business was very successful until Covid.

Nationally Ranked Bodybuilder
I am a Nationally Ranked Classic Men's Physique competitor.

E D U C A T I O N

BA Computer Science
Southern New Hampshire University
